WINTER 2026

Where we are and where we're going

As the year comes to a close, we're reflecting on the meaningful moments we've shared with Zeteo Community in 2026. We're grateful to everyone who has supported, encouraged, and partnered with us this year so far. Through every season, we've seen God's faithfulness reflected in generosity, encouragement, and compassion.

Building a strong Zeteo culture

As Zeteo Community grows, we want to preserve what makes our organization special: a caring community built on dignity, safety, trust, and the love of Jesus expressed through compassionate, practical care.

Building for what's ahead

We're strengthening our teams, communication, systems, and community partnerships. These efforts will help us work together more effectively, steward the

committed to growing thoughtfully and sustainably. We're trusting God for wisdom as we take each next step, remaining faithful to the heart of our mission. Thank you for being part of Zeteo Community and helping us create a future filled with greater safety, opportunity, and hope.

Walk With Us recap

This summer, our Walk With Us initiative brought Zeteo Community together to reflect on the importance of healing, connection, and support. Our August event was a wonderful celebration of community and hope. Thank you to everyone who walked, volunteered, shared our mission, or gave. We were especially excited and thankful to welcome new monthly donors!

Women making a difference together

We were grateful to connect with women leaders at the She Leads Wisconsin event. The event honored women from across the state for their leadership and impact. Attendees shared experiences, built relationships, and discussed the work happening across their organizations.

Marlene was nominated as an honoree and had the opportunity to share about Zeteo Community and our work supporting women who have experienced sexual exploitation.

We left encouraged by the connections we made and the opportunity to learn from others working to strengthen their communities. We look forward to continuing these relationships and finding new ways to make a difference together.

Year-end giving reminder
